Dear Friends,

We praise the Lord for another summer, another opportunity to serve Our God! We praise Him for the lives He touched and for those who joined God's family. Every summer is different from each other. The pictures may look the same (with a few differences) but God is touching people's lives in a totally different way each summer. Each year is different and I praise God for that! location. Pray that God takes care of His church and gives us wisdom!

God blessed us with two junior high school camps, one English camp (ESL), one Apologetics camp, one high school camp, and two Urban Outreaches. We barely had the time to catch up in between the projects but God gave us enough strength to go on. Thank you for praying for us! Look at [more photos here...](#)

What I liked the most about this summer? Some more testimonies of how God works in different lives. Meet Kira. She attended our camps many times. She used to come to our youth meetings and then she disappeared. Kira would not return our calls. This summer she called us and asked if we still had tickets to our English camp. She came to our English camp this summer. One evening she took me aside and told me she wanted to get enrolled at our Seminary. I was stunned! Then she shared that she's been a member of a different church for over a year and is amazed at God's work in her life. God is indeed amazing! I am so glad she found a church where she can be used as God tool. Please, keep her in your prayers as she continues growing in Christ.

Apologetics Camp was one of my favorite camps this summer. The students and our ministry staff studied various Worldviews present today, how to approach cults, to prove God's existence both from biblical perspective and non-biblical sources that surround us, how to be a good debater and the defender of your faith. Every evening we would break into small groups and talk about what we learned. Even though the discussion was planned to last 30 minutes, it would take us about an hour and thirty minutes long, and we would still feel like we needed some more time. I saw the light in the eyes of many students, and I saw how God touched each individual during the camp. All the glory to Him!

We are grateful for your prayers! We see God's hand in what we do here in Moldova, and we know that He gives us strength. Please, continue praying for all the plans that God has for us for the following month. I (Serghei) am getting ready for a class on Pastoral Ethics and going through a discipleship training program. We start our weekly youth meetings next week after a short vacation. And keep praying for a more permanent facility for our church. It is very important for the whole ministry. Thank you for taking a big part in our ministry!

In Christ, Serghei, Olga, & Xenia.
