Dear Friends,

Hi! How are you? We are doing well. It was a very busy month for us! Besides all our regular ministry activities and summer projects preparation, we have been cleaning our new place, painting the closets, and packing our belongings. Olga says it's definitely fun packing with our little girl running around and unpacking the boxes her mommy is packing, thinking it's a great game. :) We are glad at least someone is having fun while we are getting ready to move. Please pray that we are able to move soon, very soon! It has been hard getting our workers to do things because of some national holidays here.

One of the major events this past month was the Women's Conference organized by the Women's Ministry of our church. The main focus of the conference was to encourage women and help them grow deeper in the knowledge of Christ. The main topics were: Family Relationships, Life in Christ, and How to Witness to Others. Over a 100 women both from the city and several regions of Moldova attended the event. The major blessing for us and others was the participation of several churches in this conference. We have been trying to start partnering with more churches in the city for a long time to advance the Gospel of Christ. Praise God for the success He's given us in this endeavor. Please continue praying for more opportunities to serve our country together with other churches!

I (Serghei) co-taught a class with an American teacher on Introduction to Counseling at Moldova Bible Seminary for two weeks in April. I always enjoy teaching this class. It helps me to see the events that have happened in my life through the light of Christ. I was also encouraged to see the eyes of the students lid up because of what they learned. And finally, it was a good start for the students in learning how to help other people who were created in the image of God.

We continue praising God for the opportunities to share our faith in Him to those we serve on A weekly basis. Several guys that we have been witnessing to through our youth and sports ministries invited us over to their place for a party. One of the guys is going to the states for the whole summer to work. He wanted to spend time with the leadership of the youth ministry. I praise God they see us as authority and example to follow. Please pray for Ivan's safe travels and for his salvation, and the salvation of all of his friends.

Thank you so much for your prayers and support of our ministry! May the Lord our God continue blessing you and using you for His glory!

**Your missionaries, Serghei, Olga and Xenia! :)**
